Here is the document with the Inspection removed to another file and the entries sorted by ER/Removal & Planning/Preparedness (still haven't made the cut between P&P).

Subject: FY19 Annual Report

Attached is my first cut at potential entries for the FY19 Annual Report. I highlighted the best candidates. Didn't include all the SPCC, FRP, GIUE, and RMP inspections because I figured we would sum those up. I would like to break into the categories of Planning, Preparedness, ERs and Removals.
